Press Release

The Department of Consular Services organized an interactive program with the officials of the diplomatic missions, representatives of the United Nations, SAARC and ADB in Kathmandu today with encouraging presence of diplomatic officials and representatives of diplomatic missions stationed in Kathmandu looking after the consular affairs.

While warmly welcoming the officials and representatives in the program, Mr. Prakash Mani Paudel, the Director-General of the Department highlighted the recent initiatives undertaken by the Department for better and smooth consular services.

The remark was followed by the presentation from Consular Officer at the Department. In the presentation, the officer succinctly shed light on the overall structure, working procedures, new reform initiatives, among others of the Department.

The Director General and other officials of the Department addressed the pertinent issues and queries of the participants relating to consular services.

The program was attended by more than 60 participants of the diplomatic missions. The participants applauded the initiatives taken by the Department by organizing this program focused on enhancement of consular services and extending bond among consular fraternity.
